**WE ASKED: WHAT'S YOUR PERFECT SUNDAY STORYBOOK?**

generations.

Poulami Paul

My Sunday's perfect storybook is Stephenie Meyer's *Twilight*, where Bella Swan discovers her crush comes with more complications than the average teen romance — her beau Edward Cullen is a vampire!

Joyita Ghosh

*Fiesta: The Sun Also Rises* by Ernest Hemingway is my favourite Sunday storybook. No matter how many times I read it I always find it fresh and exciting.

Sreemoyee Bandyopadhyay

Picture this. Your Board exams get over and, finally, after so many days, which seem like a million years, you are free on a Sunday. So, what do you do?

Obviously hunt your bookshelf for that perfect book. I love all the stories by Chetan Bhagat and Amish. So, their stories could also be the perfect read, or, maybe, I could read *The Fault In Our Stars* for the hundredth time. However, nowadays I'm quite obsessed with Wattpad (left) and there I get millions of books written by amateur authors, which are definitely very, very good. So, ya, to conclude, for a book lover any book handed to them could become the perfect book to read on Sunday.

Kaninika Dey

Rolling on my bed, I would spend time with the Cheshire cat. I would make it *my* Wonderland and make my Sunday a wonder day.

Ushree Banerjee

A perfect Sunday storybook for me is Durjoy Datta-Nikita Singh's *Someone Like You*. It's a wonderful story of friendship, love and betrayal.

Pritha Dutta Biswas

I am a bookworm and I love storybooks! They help me escape from reality and move into the world of imagination. Though I have a habit of finishing a book a day :P, the few books that I prefer to read time and again during my leisure, particularly on Sundays, are the Khaled Hosseini books — *The Kite Runner*, *A Thousand Splendid Suns* and *And the Mountains Echoed* — and also the *The Ruskin Bond Omnibus*.

Abantika Ghosh

Sundays are for busting stress and are often called 'lazy' Sundays. They cannot be special without a storybook in hand, flipping through its pages, devoting our time and energy completely and gaining new insights. One of my favourite Sunday reads is *The Adventures of Sherlock Holmes*, while reading which we try to unravel the mysteries. Secondly, there are Agatha Christie's thriller stories. Some romantic books, such as Stephenie Meyer's *Twilight*, can also add a sense of relaxation on Sundays. Then, on Wattpad, there are stories written by our fellow authors who aren't famous yet.

Madhurima Roy

For an avid ghost story lover like me, the *Goosebumps* series by R.L. Stine is perfect on a lazy, dizzy Sunday. Reading by the window, and having a cup of hot coffee with no one around is 100 per cent swag.

Sharmila Mukherjee

My perfect Sunday storybook would be any Poirot mystery by Agatha Christie for its gripping plot and unpredictability. The Victorian set-up and feminine outlook of things add to the fun.

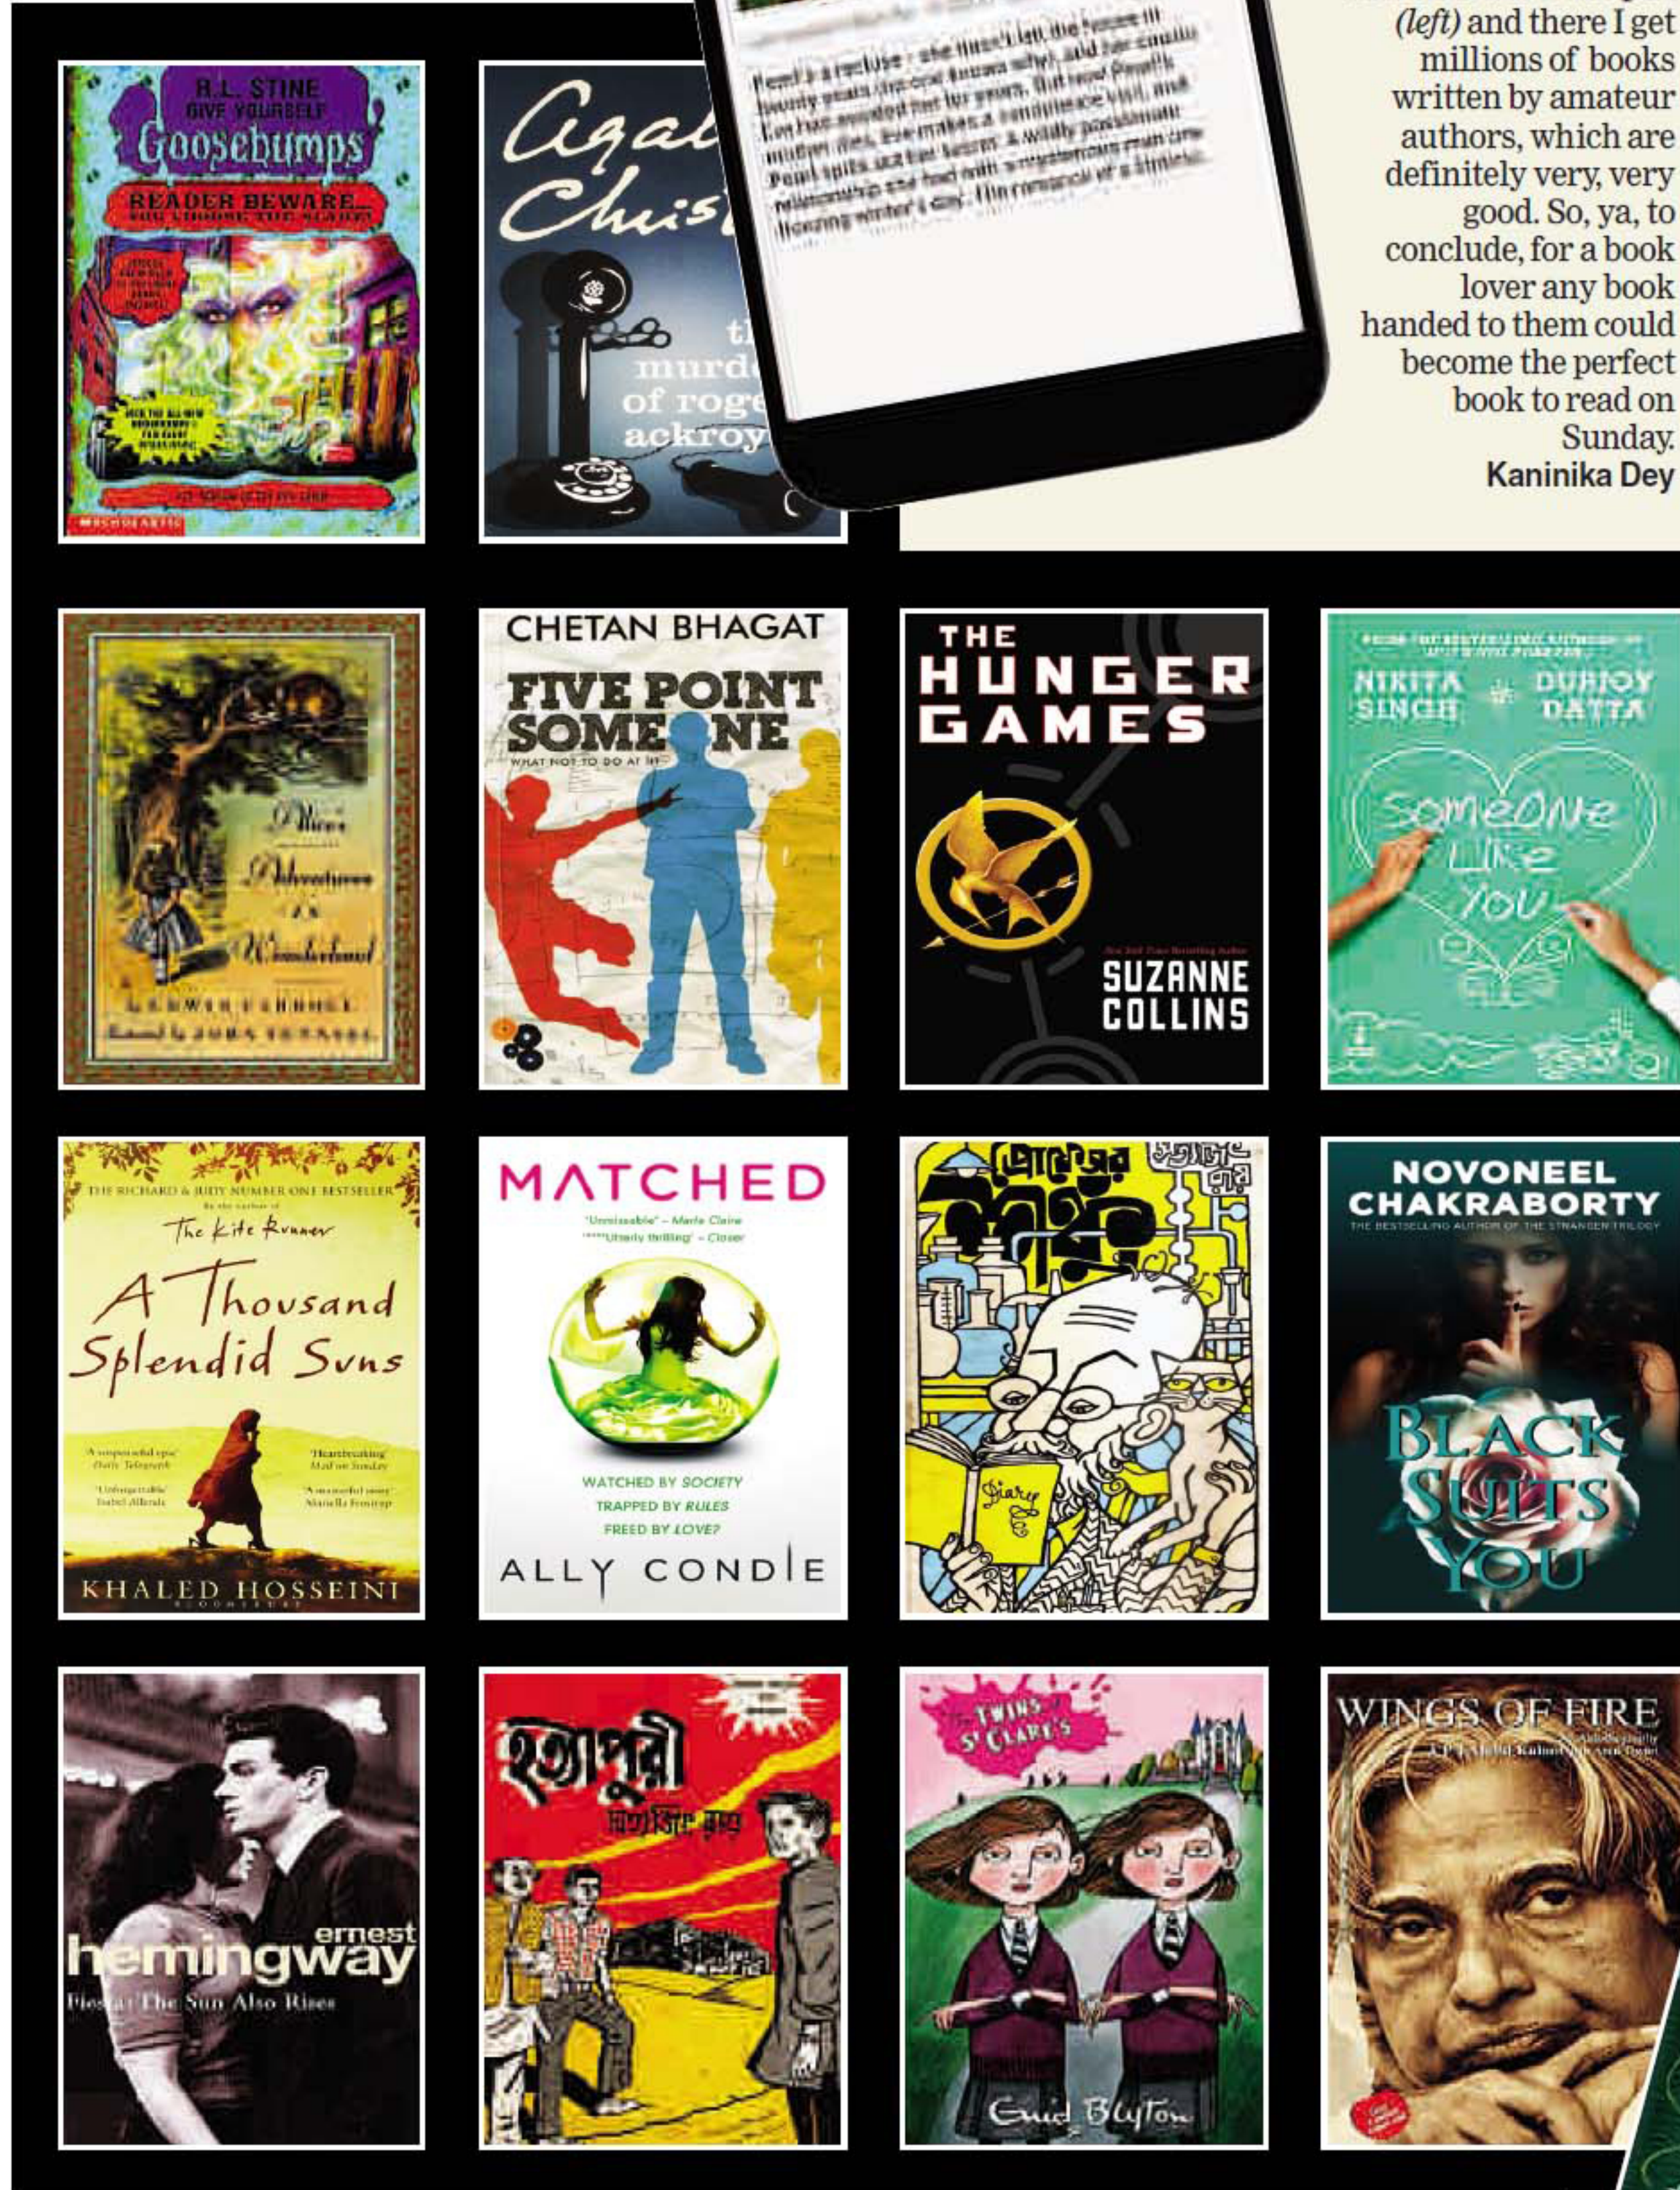

Papiya Dutta

Sundays are always for lazing around and what better way than a romantic-thriller like Novoneel Chakraborty's *Black Suits You*. The book surely keeps me awake with its intense plot. Enjoying it!

Sreoshi Bakshi

My perfect Sunday storybook is either a Dan Brown thriller or an Agatha Christie mystery. Both of these can spice up a lazy Sunday. When one starts reading these books, it becomes impossible to leave the story midway. So, I will get enough time on Sunday to complete one of these books.

Rishika

My perfect weekend book would be *The Complete Sherlock Holmes*. It is full of mysteries and thrills. After a tiring week, Mr Holmes relieves me of all kinds of study tensions.

Upasana Roy

For Sundays I prefer *Harry Potter* books. For me all the *Harry Potter* books are amazing! The best part is I never get bored of these books. ;)

Manoj Jha

Dear t2oS, on a perfect Sunday I would love to read *Hunger Games* with Katniss, Peeta and Gale. *Matched* by Ally Condie is another book worth reading. I would also love to go for a sea voyage while reading *Twenty Thousand Leagues Under the Sea* by Jules Verne.

Anushka Aashvi

My perfect Sunday storybook will be *Five Point Someone* by Chetan Bhagat, among others. This book teaches us to follow our dreams in a cheerful, inspiring way. I also like the way the book is presented.

Asim Kumar Mondal

My perfect Sunday storybook is *I Too Had a Love Story* by Ravinder Singh. It is a poignant story of the author, who lost the love of his life a few days prior to their engagement. Whenever I read the book, I end up holding it in my arms with tears in my eyes.

Manishka Seal

My best read on a Sunday will be *A Thousand Splendid Suns* by Khaled Hosseini. And yes!!! Not to forget, *Professor Shonku* by Satyajit Ray. It feels new every time I read it.

Chetana Saha

*A Thousand Splendid Suns* gives the best company on a Sunday. The tragic Tariq-Laila romance makes my eyes moist regardless of the countless number of times I read it.

Chandrima Das

My perfect Sunday storybook is *The Fault In Our Stars*. I love reading this book every time.

Suchandra Kundu

My perfect Sunday storybook is *Byomkesh Samagra*. It will transfer you to the scene of crime, has captivating plots and is perfect to the last dot. #ByomkeshLove

Utsa Dey

My perfect Sunday book is *Wings of Fire*. It traces Dr A.P.J. Abdul Kalam's life from an obscure little village in Rameswaram to the peak of success. This autobiographical account is really inspiring and serves as an excellent guide for the present as well as future

As Sundays are for relaxation, I mostly watch TV shows and cartoons. Often I delve into books and my perfect Sunday storybook is *Feluda Samagra*. Though I have read the stories many times, there is still a certain appeal that makes me read the stories again and again.

Suparna Naskar

Any book in the *Harry Potter* series as well as any *Feluda* and *Byomkesh* book makes my Sunday perfect.

Sreya Chakraborty

Sundays turn even more exciting for me when I read out thriller stories, surrounded by my family members in a natural ambience of suspense. The most apposite had been the *Feluda* and *Professor Shonku* series. And you can actually get to know how much one is enthralled when suddenly the lights go off!

Arijit Das

My perfect storybook on a Sunday would be Enid Blyton's *St. Clare's*. It is about students living in a hostel and the

hardships and happiness they experience, which I find very interesting because I am a Class VII student. My favourite characters are Mirabel and Carlotta. I am waiting for the third form, which I'll start reading very soon.

Rishav Mitra

The book I would love to read is *Alice's Adventures in Wonderland*. Having my grand Sunday breakfast I would roam about with the Mad Hatter.

Puhabi Das

Any book by Nicholas Sparks is a perfect Sunday storybook for me. But *Nights in Rodanthe* is what I'll choose. It's an amazing, short, sweet-sad love story — a book that gives me all different feels in one day!

Zara Timol

I would pick *Sukumar Samagra* or any of the titles from the *Feluda* series by Satyajit Ray or the *Tenida* series by Narayan Gangopadhyay. These are my all-

We are huge Paulo Coelho fans. His novels are like drops of rain in a dry desert. *The Alchemist* is such an amazing book. After reading it you are sure to fall in love with the Andalusian boy Santiago. Veronika (*Veronika Decides to Die*) will melt your heart if you know why she committed suicide. Knowing about Maria in *Eleven Minutes* will help you rediscover your idea of true love. These were names of just a few awesome books by Coelho. So a perfect Sunday storybook = Paulo Coelho!!!!

Oismita Hui and Samoyita Hui

time favourites. Besides these books, my Sunday will go perfectly with nail-biting detective and mystery novels. Right now my Sunday is busy with *Sweet Masterpiece* by Connie Shelton.
